

GHS Class of 70

50th Year Reunion Get Together

Dear Friends,

After the Groveland High School Alumni Reunion at the Wesley Center in Clermont, plan on getting together with just our class (and of course spouses, significant others or if you have a friend you'd like to invite) at the Red Wing Restaurant in Groveland (www.redwingrestaurant.com) located at 12500 State Road 33 in Groveland. Yes, the same Red Wing that's been a part of Groveland since 1948! Ann Wilbanks Claudy made arrangements with the owner to reserve their backroom and screened-in patio just for us from 4:30 until 9:00 p.m.

Everyone will be responsible for their own tab. If you're still hungry after our noon luncheon, you can order dinner. If you just want to snack, Red Wing has a great appetizer menu. Also, tea, soft drinks, water, beer and wine.

Vicki Winn Mathis will be providing great music from the 60's and 70's.

Can't wait to see everyone and catch up! Bring any memorabilia you might have, all those great stories from the past, and of course pictures of your kids & grandkids!

Love Y'all!
